 - ◆ Well-developed critical thinking
 - ◆ Quick learner
-

INTERESTS/CAREER GOALS

As someone who's always taken an interest in learning, I don't plan on stopping with my bachelors. I hope to be able to continue my education with a Master's in biology. I've been passionate about wildlife and wildlife conservation my entire life, that's why I hope to be able to further develop my research skills in order to someday enter the field of wildlife biology.
